Re: Stones River Manor, Inc. CN1506-026

Dear Jim:

Please place the above-referenced matter on the "General Counsel's Agenda" for the August 22, 2018 meeting of the Health Services & Development Agency. Even though construction of the project has been completed and representatives of Tennessee Department of Health verbally informed the facility this morning that everything has been completed in their office and the license will be issued "anytime now," the license has still not been issued. While the applicant is optimistic the license will be received before the CON expires at the end of August, 2018, we would like to request an extension of the CON for two (2) months, in the event there should be any further delays in delivery of the license.

Please let me know if you would like to discuss, or need anything further at this time. There is a possibility I will be out of town on August 22, and if so my law partner, Chris Puri, will attend the meeting. We appreciate your assistance in this matter.

Very truly yours,

BRADLEY ARANT BOULT CUMMINGS LLP
